RAMBAM
Health Care Campus

Rambam's new Ruth Rappaport Children's Hospital, designed just for children and their families, has opened its doors. The hospital features floors with themes from nature, patient rooms filled with light and color, amenities to encourage healing such as play areas, classrooms, and courtyards. Compassionate care is provided by world-renowned physicians using the most sophisticated technology to diagnose and treat childhood illnesses.

We still have naming opportunities in this facility. With your support, Rambam will advance its medical vision in Israel, the middle east, and the world.
